

For the sixth year in a row, Bowe School Elementary is excited to be participating in a thrilling competition called Battle of the Books. This fun reading program encourages students to work together and read a wide range of genres and authors.

Teachers and aides volunteer as coaches and mentors as teams come together at the end of September and the **READING BEGINS!!!!**

On April 10<sup>th</sup>, all of the groups will come together to compete in the "Battle". Teams of students will answer questions about each of the 21 books that were chosen this year. While only one team will emerge victorious, all of the students are winners as they celebrate the joy of reading.
