

## TEB Middle School Schedule Explanation

**Maroon/Gold Days (4-day Cycle)** - The Thomas E. Bowe Middle School runs on a 4-day cycle that we identify as **A - B - C - D** days. A & C Days are considered “Maroon” days and B & D Days are considered “Gold” days. Your child’s schedule on Maroon (A & C) vs. Gold (B & D) days will be considerably different, with only language arts, math, and lunch remaining constant. All other courses meet every other day - either Maroon or Gold. Below is a sample student schedule:

**Why Is It A Four Day Cycle?** - In the schedule above, you will note a block titled “Study Skills.” We refer to this block as “Bulldog Ready Block.” During this 30-minute class period, students will access additional academic support/enrichment from one of their Core 4 teachers (language arts, math, science & social studies). They will be assigned to a specific teacher/course each day of the 4-day cycle which ensures they will meet with each Core 4 teacher once during the 4-day Cycle.
