

Glassboro Public Schools is excited to announce that on Friday, May 2nd the district will be going live with its new website provided by Apptegy.

FAQs:

- Why did the district get a new website?
 - Our current website provider was acquired by another company, so the district was forced to choose and migrate to a new platform.
 - After several demonstrations with several different platforms, the district selected Apptegy.
- Why Apptegy?
 - We felt it was fresh looking and one of the most user-friendly platforms in the education space.
 - Reputation, customer support, and excellent feedback from other local districts who are currently using the platform.
 - A more affordable solution saving the district money.
