

**Subject:** Important Update: PowerSchool Cybersecurity Incident

Attention Glassboro Parents/Guardians:

This morning (February 28, 2025), PowerSchool sent a communication regarding a cybersecurity incident that occurred on December 28, 2024, involving unauthorized access to personal information stored in PowerSchool. Among the recipients of this communication are Glassboro district/school staff and Glassboro parents/guardians.

When PowerSchool initially informed us of this incident, we were advised that Glassboro was **not** among the impacted districts. However, given today's communication, we are actively investigating further. We will provide an update as soon as we have additional information to share. The safety and security of our students and staff remain our highest priority. Thank you for your patience as we work to clarify this situation.

Sincerely,

Craig S. Stephenson
