GHS Student Assessment Schedule (2022-2023)

CSA Timeline - CSA's are locally developed benchmark assessments (or points of reference) that evaluate a student's academic and skill development over the course of the school year as it relates to grade-level standards. CSAs are simply common assessments across the same course and are meant to be used as a reflection tool for teachers and students alike.

| CSA# 1 (pre-assessment) | CSA #2 (Summative) | CSA #3 (Summative) | CSA #4 (Summative) |
