

**STEM  
SCOUTS**<sup>®</sup>  
SCIENCE  
TECHNOLOGY  
ENGINEERING  
MATH

**STEM Scouts** is focused on **fun** ways for girls and boys, in grades 3–12, to **learn** more about **science, technology, engineering** and **math** (STEM). STEM Scouts features hands-on experiments, field trips and interaction with STEM professionals help students learn academic concepts and see how STEM skills are used in real-world jobs.

JOIN US FOR A
