Dear Parents and Families,

On behalf of the staff at Glassboro Intermediate School, I am happy to welcome you to the 2021-2022 school year! The excitement we feel cannot be contained as we plan for a school much like the ones, we had prior to COVID- 19. We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that to be successful in school, our children need support from both the home and school. We know a strong collaboration with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our best to carry out our responsibilities.

Many of our students, 7<sup>th</sup>. and 8<sup>th</sup> graders alike, have never been inside our building. Therefore, this year every student will receive a tour of our school on the first day of school. Students will be shown to their homeroom. Homeroom teachers will be the guide for this tour.

Communication between parents and teachers is essential. Our teachers will keep you informed of situations involving your child. If, however, you have any concerns at any time during the school year, please contact the teacher as soon as the concern arises. The teacher will return your call or schedule an appointment with you within 24 hours. Remember that the first person to contact is the teacher with whom the concern applies. Faculty hours are 7:15am-2:06pm. School office hours are 7:00am-3:00pm. Thank you for understanding that you must schedule an appointment to meet with school personnel.

Please be sure to update your contact information in Power School. We will use this information to contact you. For school events, and information please visit GIS Facebook and Instagram Page, GIS Webpage, Power School and listen for School Messenger calls.

The wonderful GIS staff and I feel privileged to be a part of this school family. We eagerly await meeting you.

Respectfully,

*LaVonya Mitchell*

Principal
