Bulldogs,

The holiday season is upon us. A time to reflect on the past year's triumphs and gather with family and friends. Looking back on the past year, GHS has so much to be thankful for.

The admin team and I are grateful for all that we have accomplished together (staff and students). We recognize that your dedication and commitment have contributed to our academic and extracurricular success. As a result of your efforts, we have new programs, increased AP enrollment, a new business academy, AVID, and stellar scholars (our students are amazing). Not to mention, we have an award-winning Marching Band, an unbelievable choir, and the best Drama Club around (have you seen the amazing performances!). As for sports, the fall season was incredible! Every team made it to the playoffs. All of this was made possible thanks to the staff, students, and support systems at home and in the community. We are honored to be part of such a fantastic team and look forward to the years to come.

As we close out this year, we wish you and your family a happy holiday and a joyous new year!

Thank you,
Dr. Stowman-Burke
